CASCADING STYLESHEETS
Exercise

Apply CSS to the following HTML webpage

(see how the page looks before and after applying CSS)

```
<!DOCTYPE html>
<html>
<head>
 <title>My Form</title>
 <style>
 <!-- //properties for the form to be formatted: -->
   <!-- border -->
        <!-- background-color -->
        <!-- padding -->
        <!-- margin -->
        <!-- width, color,  -->
        .my-form{
                background-color: red;
        }

        <!-- Apply CSS to the input fields   --->
        input[type=text], input[type=number], selection{

        }

   </style>
